THE LARGEST SAILING SHIP IN THE WORLD.

We clip the following from the
Belfast Weekly News of Aug. 10th:
On the occasion of a visit just paid
to Messrs. Harland & Wolff's estab-
lishment we had an opportunity of
inspecting the last ship launched
from their yard—the Walter H.
Wilson. This vessel is a few feet
longer than the Lord Downshire,
and in other respects is correspon-
dingly superb. Named after a
partner in the widelyknown ship-
building firm by whom she has been
constructed, the Walter H. Wilson
adds another branch to the well-won
laurels of Messrs. Harland & Wolff.
A sister ship to the G. W. Wolf
built on the same stocks some time
ago, she is the largest sailing vessel
now afloat. The former ship is,
however, only about two-thirds of
the latter's size. The measurement
of the Walter H. Wilson is 315 feet
x 42 feet 8 inches x 25 feet—the
burden being 2,461 tons. She is
built of iron, and furnished with
four masts, which are supplied with
topgallant yards, in which respect
she differs from the Lord Downshire.
She is built from a distinct model,
which appears to be adopted for the
first time. Its distinctive features
are a great increase of "sheer" and
an extremely yacht-like appearance
when in the water despite her enor-
mous size. This ship is built for
Mr. Samuel Lawther, J. P., and is
solely owned by him. The Walter
H. Wilson sailed on Friday for San
Francisco, via Cardiff, with a cargo
of steel "blooms" and coke, under
the command of Capt. George
Scott. We learn from another
source that the W. H. Wilson
spreads 60,000 feet of canvas.

Late Sessions, Bathurst, N. S.
W.—H. H., the judge (loq.):—
"Has not the jury agreed yet? I will
have to order them to be locked up
all night."

Sergeant Buz Faz, returning from
jury room. "They will be agreed
directly, your Honor, they're all
unanimous except three or four."

It being remarked by a lady at a
party that there were just 30 persons
in the room, a gentleman disagreed
with her, and declared that there
were 40. To settle the question all
present ranged themselves around
the room, and a counting was gone
into. "Thirty-nine," exclaimed the
lady in triumph. "And the piano-
forte," (forty) cried the gentleman,
laying his hand on that instrument.

Our new servant girl came in a
hansom. As she learned the ways of
the place, she became more utter
still. The other day there was a
knock at the door. The missis re-
quested the servant to go and answer
it. Her reply was, "Would you
kindly send Miss Emily? My hair is
in curl-papers."—[Melbourn Bulle-
tin.]

DELIGHTFUL NEWS!

— TO THE —

LADIES OF HONOLULU

AND THE VARIOUS ISLANDS.

MRS. A. M. MELLIS who is admitted to be the leading Millinery and Dress-
maker, modest in the Kingdom, begs leave to say to her many numerous Lady
friends that her new stock of Beautiful goods recently ordered are now beginning
to arrive, which include all the very latest French and American fashions, in
Ladies' and Children's hats and bonnets and dress patterns of rich and rare
designs.

MRS. MELLIS strictly superintends all work, and being always so thoroughly
competent and particular with her patrons' orders, it is not strange that all Ladies
of fashion and taste are her customers.

Ladies with their children are invited to call and see samples of the new Fall
and Winter styles in her Millinery department, and also to see the new and latest
plumes, feathers, trimmings, etc. Every pains taken to please the most fastidious
and all work guaranteed in every respect.

HONOLULU CLOTHING EMPORIUM,

A. M. MELLIS, Proprietor,
